

Farmer's Market CSA at Verrill Farm

Join now!

Community Supported Agriculture provides an opportunity for the consumer to partner with a local farmer, committing to purchasing a share of the farm's fresh produce for 20 weeks. The 'shares' are purchased before the season begins. As is customary with most CSAs, you share in the bounty, but also share in the risk in case of a crop failure. Your risk is minimal at Verrill Farm due to the fact that we plant a wide variety of vegetables on 150 acres.

Verrill Farm's CSA is DIFFERENT! YOU choose the vegetables your family would like each week. In addition to produce, from time to time we may offer items from our kitchen and bakery; tastings of prepared vegetables; discount coupons for selected items sold in the farm stand; PYO flowers - crop and weather permitting; and exclusive farm tours for members.

We are accepting more members this year to accommodate those who missed out in 2013. Sign up will be first-come, first-served as there is a limit. Please register and prepay by May 15 by calling 978.369.4494.

The CSA works this way...

1. The cost of a 'share' is \$500.00. Your pre-purchase covers 20 weekly shares which can be picked up over a period of 22 weeks, giving you 2 weeks of 'vacation' time.
2. CSA pick ups begin Thursday, June 19, and will continue until Thursday, November 13, from 1 pm to 7 pm.
3. You will be provided with your own recyclable, handled basket to use each week. The basket holds nearly 2/3 of a bushel of fresh produce which, in most cases, will be enough for a family of four for the week.
4. Recipes for your weekly selections will be provided along with information on handling various kinds of produce to maximize your value and enjoyment.

By becoming a member of Verrill Farm's CSA you are committing to buying local, supporting farm land preservation and your local community. Thank you!

SEE YOU UNDER THE AWNING!

Space is limited! Give us a call today or stop down to the farm stand to pre-pay.
