## Summer Squash Frittata

**Serves 4-6 as side dish**

### INGREDIENTS:

- 1 1/2 lb. thinly sliced summer squash
- 8 lg. eggs
- 4 oz. shredded Gruyere cheese
- 3/4 cup milk
- 4 green onions, white part sliced
- 1/4 tsp. each salt and pepper

### PROCESS:

Preheat oven to 375°F

Toss 1 1/2 lb. thinly sliced summer squash with 1/4 tsp. salt for 10 min. Drain and squeeze dry.

Whisk together the eggs, cheese, milk, onions and salt and pepper

Heat oven proof non stick skillet. Add egg mixture and stir in squash. Cook, stirring occasionally, pulling back the edges, for about 2 min. Cook, without stirring for another 3 min. Transfer to oven and bake for 20-25 min.

Optional: Add diced ham and/or diced cooked potatoes for a heartier dish.
